Dear Ha

How everything with my best
girl these days as for myself just
^{tired} ~~tired~~ from getting up at 4 every day
except Sunday. I have c.o., again
tonight.

How everything in school these
days. Is the teacher giving you a
hard time yet?

There not much happening around
here. We had some snow here, and
it look like it might rain or snow
again tonight. How the weather
up there in Michigan, these days?

II

Well I still have 323 days left in the army I hope they go by fast. You don't have that many left before you start work everyday. That is if you go to work. Myself I don't know for sure what I will do when I get out of the army.

I will get you something for your birthday but it won't be until the 1st part of November, so tell what do you want? I told you once before I ~~was~~ not much a getting anything for a girl.

I still don't know what to tell you or your girl friend about that boy in Korea, why he doesn't write to her. If she want someone from down here to write to her I will try and find someone. You can send her address

III

If she want someone to write her.

Well it 6 o'clock here at night
it 8 o'clock there. There not too much
difference in the time.

Well honey I can't think of much
more to say so I will close for now.
be good and take care of yourself

Love
A P
